WHO MAY OFFER COVID-19 VACCINE FOR PHASE 1B?

There is no need to contact your doctor to schedule a vaccine appointment at this time. New West Physicians may have limited amounts of the vaccine on hand subject to the CDC and State distribution. Invitations will be sent out for select patients 65 and above through a random lottery selection. This ensures fair and equitable access to the vaccine.

For the most current information about COVID-19 please visit our website www.nwphysicians.com and look for the blue "COVID-19 Information" ribbon.

Requesting COVID-19 Vaccine Through Centura Health App

See step by step directions below

Centura is now accepting patients 70 and older for sign up.

1. **Navigate to** [www.centura.org](http://www.centura.org), a pop up window should open, choose “vaccine information”, photo below:

2. **Scroll down to the yellow box “vaccine notification signup”:**

   - Patient portal. These invitations will be sent based on the state tiering system, starting with patients age 70 and over. This process will be randomized and equitable without discrimination based on race, color or ability to pay.
   - Use the button below to sign up to receive additional information and instructions about the vaccine through email and/or text message. Once you complete the form, you may not receive correspondence immediately. However, Centura may provide updates and scheduling instructions if the vaccine becomes available to you. You are not required to complete the form to receive the vaccine.
3. Fill out the form with your personal information and select “none of the above apply to me” at the bottom:
4. Once you selected “none of the above apply to me”, this should open up another question area, section 1B. Select “age 70 and older”, then select submit:

5. Next click on “complete your submission”:
Requesting COVID-19 Vaccine Through SCL Health App

As a patient of New West Physicians, you have the ability to request an appointment for the vaccine via an app on your phone. To do this, you will need to use the SCL Health app, not the FollowMyHealth app utilized by our practice. These instructions below are for using the SCL Health app only, and your vaccine appointment will be scheduled with an SCL Health vaccine provider.

1. **Download the SCL Health MyChart App from your app store.**
