There is no need to contact your doctor to schedule a vaccine appointment at this time. New West Physicians is actively working with the state/counties to obtain doses of the vaccine, however none have been released to us at this time. We will update our website and begin notifying patients as soon as vaccine is available.

For the most current information about COVID-19, please visit our website www.nwphysicians.com and look for the blue “COVID-19 Information” ribbon.

Requesting COVID-19 Vaccine Through SCL Health App

See step by step directions below

As a patient of New West Physicians, you have the ability to request an appointment for the vaccine via an app on your phone. To do this, you will need to use the SCL Health app, not the FollowMyHealth app utilized by our practice. These instructions below are for using the SCL Health app only, and your vaccine appointment will be scheduled with an SCL Health vaccine provider.

1. Download the SCL Health MyChart App from your app store.

5. Once you have an account set up, look for the “Schedule Office/Video Visit” button. Click this button.

6. On the next screen, there may be another “Schedule an Appointment” button. Click it.

7. Look for the “Covid Vaccine for High-Risk Patients” link. Click on this, answer the next few questions, then hit “Any Location” to schedule.

Please note that if you are unable to schedule a vaccine appointment the first time you go through this, keep checking back and trying again as many additional appointment times will be added soon.

If technical support is required, please contact 855-274-2517 and select the MyChart option.
