

Your Medicare Advantage checklist

Did you know the Annual Enrollment Period is Oct. 15–Dec. 7?

This is the time you can sign up for a Medicare plan. Here's a list of helpful information you'll need when you speak with a licensed insurance agent.

Three time-saving tips

You'll need to have some important details handy when you talk to the agent. It'll make it easier to find the right plan for you.

- 1. Your doctor's name, type of doctor, address and phone number.** If you don't have a primary care doctor, we can help you find one who meets your unique needs. Let us know when you call. You'll want to be sure to choose one who accepts Medicare Advantage, so you can get the best care possible.

- 2. Your insurance information:**

- Your Medicare card
- The date Medicare Part A and B starts for you
- Your current insurance card, plus the plan's monthly premiums, deductibles, prescription drug costs, out-of-pocket costs, and whether it covers travel

- 3. Your personal and medical information:**

- Driver's license or passport (or other proof that you're a U.S. citizen)
- Social Security number
- A list of your medicines and any special medical needs

Write down any questions you have, so you have them handy when you call.
